"RAINBOW"

HOME CARE PACKAGES

It's often the simple things in life that make a difference. At "RAINBOW" we provide services which are important to maintain your well-being. This means you can focus on the more important part of living: *like just enjoying life !!!*

Support Workers Who Really Care

It is our pleasure to care for people who are frail and elderly, are from Non-English speaking backgrounds and are of Eastern or Southern European origin. Our support workers are specially trained to provide services in the language of the consumer's choice.

How You Can Access Our Services

To be able to receive a Home Care Package (HCP), your needs must first be assessed by the Aged Care Assessment Team (ACAT), the approved authority.

The Process Is Simple

Contact your family doctor and ask for a referral letter to the Aged Care Assessment Team. This team consists of friendly professional people who will work out with you, how you can best be helped. Then our manager, together with you and your representative, will settle the final details of the services we will provide.

Some Of Our Services Are:

- Personal care
- Housekeeping
- Shopping
- Social support
- Gardening
- Minor home maintenance
- We can help you obtain access to other services.

Everyone Can Afford "RAINBOW"

We receive funds from the Australian Government through the Department of Health. We spent 65% of these funds on direct assistance for our consumers. Basic fees for work done by our support workers is \$7 per hour. To be fair to all of our consumers, each is asked to contribute according to their ability.

**We are an Aged Care Service
with a difference**

**We are on a mission to fight the biggest issue
facing older people today - LONELINESS.**

AND WE ARE WINNING!!!

**There is no person in our program whose
birthday wouldn't be celebrated.**

EVERY CHRISTMAS there is Santa smiling
with our clients and giving away presents.

WHEN EASTER COMES we are painting eggs
for good luck all year round - and it works.

PEOPLE OF EUROPEAN ORIGIN know that
music and dancing is the best medicine for
vitalizing the mind and strengthening the
body - which is why we sing and dance every
week, as we have been for the last 20 years.
And we exercise - you should see our balloon
fights! Footy players wouldn't be stronger
than us.

OH, YES, OF COURSE WE WILL HELP YOU
with personal care and around the house and
garden, and we will take you shopping and to
doctors, and we will buy the armchair you
always wanted.

WE DON'T SAY NO!!!

WE SAY LETS TALK!!!

**And we wouldn't tell you how much you
have to pay either - we will negotiate.**

ALL YOU NEED TO DO IS ASK!!!
